

Thank you for your inquiry

Before submitting a complaint to The Appeal Board for Bus, Train and Metro it is **mandatory** to complain to the transport company at first and await their decision.

After their decision you can complain to the appeal board.

Please note, that you have to pay a fee for the handling procedure in the appeal board, and that you need to fill out our complaint form.

The fee is 160 DKK and has been settled in accordance with the law of consumer's complaint (lov om forbrugerklager) and approved by the responsible Minister.

WE DO NOT OPEN A CASE FILE BEFORE BOTH THE FEE AND FORM HAVE BEEN RECEIVED BY US.

If you win the case, the complaint fee will be repaid to you.

Please transfer the money via your Danish bank, if you live in Denmark.
